AWARD MESSAGE

UAE CISS and Intern Team,
I want to thank you for your outstanding accomplishments over the past 8 weeks. Your efforts have generated over \$4M in value for Lockheed Martin Aeronautics as we proliferate the deployment and usage of Artificial Intelligence within our production and quality operations. You have enabled Aero to spend less time on AI image labeling, more time for additional network creation, and the ability to enhance network performance, all of which reduces risk and escapes to our customer. OUTSTANDING!

Thank you,
Chris Colaw
